How to get started…

Step 1 - Download your favorite hiking app. (Kakao Maps, ramblr, TRANNGLE)

Step 2 - Choose an area to explore

Step 3 - Find a Trail Head.

Step 4 - Enjoy your hike.

Once on hiking app, pan over to desired location. Once you zoom in, look for hiking trails. The more you zoom in, the more detailed the map gets with elevation and distance of the trails.

NOTE: Many hiking trails start in local parks or little paths hidden along a small side street.
